

## NEWS RELEASE

**Allnorth Consultants Limited** is pleased to announce that effective August 24, 2011 we have acquired 100% of Axxent Engineering Ltd. Axxent was founded in 2006, and since that time have provided extensive services to the mining and forestry sectors. Axxent brings a highly motivated, experienced group of in excess of 40 professionals to the Allnorth team and are currently working on major mining projects in British Columbia, Northwest Territories, Nova Scotia and Mexico.

Together we provide a wider range of services for our clients with a fully integrated engineering and technical services team. Collectively we will provide new and challenging opportunities for our combined team.

The range of professional services Allnorth provides includes:

- Mechanical/Structural/Civil/Process/E&I Engineering
- Environmental Permitting and Planning
- Capital Cost Estimates
- Project and Construction Management
- Pre-feasibility and Feasibility studies (NI43-101 compliant)
- Constructability and Optimization reporting
- Legal and Construction Surveying
- Material Testing & QA/QC services
- Planning & Scheduling
- 3 D Scanning & Modeling

We will continue to provide services from the Surrey office. Mr. Mark Dobbs PEng will take the role of Surrey Division Manager working with Philippe Favreau COO, to ensure that our combined reputation for quality and cost effective engineering solutions continues. Mark can be reached at our Surrey office located at:

Allnorth Consultants Limited  
312-7485 130 Street  
Surrey BC, V3W 1H8  
Phone: 604-572-7722

Allnorth is looking forward to integrating our two teams into a single cohesive unit that will create exciting opportunities for our team, clients and partners while expanding our technical skills which will greatly benefit all stakeholders.

If you have any questions please call Mark Dobbs at 604-635-1235 or Darryl Bell at 250-299-9979.
