

**ALLNORTH**  
CONSULTANTS LIMITED

## NEWS RELEASE

**Allnorth Consultants Limited** is pleased to announce that effective February 21<sup>st</sup>, 2012 we have acquired XXL Engineering Ltd of Calgary, Alberta. XXL was founded in 2000 and since that time has provided extensive services to the Oil & Gas Industry in Western Canada. XXL brings in excess of 30 highly motivated and experienced professionals to the Allnorth team.

Collectively we will provide new and challenging opportunities for our combined team, and will be able to offer a wider range of services to our mutual client base. We look forward to integrating the two teams into a single cohesive unit.

The range of professional services includes:

- Mechanical/Structural/Civil/Process/EI&C Engineering
- Environmental Permitting and Planning
- Project and Construction Management
- Constructability and Optimization Reporting
- 3D Scanning, Legal & Construction Surveying
- Materials Testing & QA/QC Services

Bruce MacTavish PEng will lead our Calgary team as Division Manager working with the Allnorth Leadership Team to ensure that our combined reputation for quality and cost effective engineering solutions continues. Our Calgary office is located at:

Allnorth Consultants Limited  
#101, 807 Manning Road NE  
Calgary, Alberta T2E 7M8  
Phone: 403-717-2370

Allnorth has been providing consulting services since 1978 to clients in the Mining, Oil & Gas, Pulp & Paper, and Infrastructure sectors in Canada and globally.

Our client relationships have been built on trust, quality service, timely response to issues, commitment to availability, flexibility in scheduling, and providing logical solutions that are practical and economical to construct. We have proven experience and are well known for our professional accreditation, expertise, skills, experience, on-time record, and commitment to quality, safety, and the environment.

If you have any questions please call Bruce MacTavish at 403-717-2370 or Darryl Bell at 250-299-9979.
